Re: MUR 6075

Dear Mr. Jordan:

Texas State Representative Bill Zedler has retained my firm to represent him in the above referenced matter. Enclosed is an executed Statement of Designation of Counsel from my client.

On September 29, 2008, my client received your September 24, 2008, letter notifying him of the complaint filed against him. Accordingly, our response demonstrating that no action should be taken against my client is due October 14, 2008. While I understand that requests for extensions are not normally granted for longer than 20 days, I respectfully request a 30-day extension from that due date, until November 13, 2008, to compile the appropriate factual and legal materials and prepare a response to the complaint.

My client is a member of the Texas House of Representatives and is presently running for reelection. A 20-day extension would require a response by November 3, 2008, the day before Election Day. My client will be actively campaigning through November 4, 2008.

I hope you will agree that these unique circumstances, including my appearance as counsel, warrant a slightly longer period to respond to the complaint and that the additional 10 days will not prejudice the Federal Election Commission's ability to proceed with this matter.

Your favorable consideration of this request is greatly appreciated.

Respectfully,

James E. Trainor, III
